BATLEY

HOW WAS OUR BELOVED PROPHET'S (PBUH) APPEARANCE?

The Prophet Muhamed (saw) was the best looking man and human ever to be created. He had striking appearance, beautiful looking. He had a radiant face also an elegant smile. He had a stunning face. His hair of his head was long and thick. And also had waves. His here head was large and prominent. His eyes were large and black with a beach touch of brown. His beard was thick. At the time of his passing, he had seventeen grey hairs.

He walked steady and briskly. Also he looked how he was walking. He usually had a smile on his face. There was also long periods of time when he was silent, deep in thought.

His dress was generally consisted of a long shirt, tamad (trousers) and a sheet thrown round the Shoulders and a turban. He Sometimes Put on a robes presented to him by foreign emissaries in the later part of blessed life.

He never had a big house; it was a very small, with a wall which had unbaked clay and thatched roof of Palm leaves. His pillow stuffed with Palm leaves.

Such a beautiful and simple life our beloved Prophet (pbuh) lived. May we also try to emulate and live our life according his sublime sunnah. Ameen

(By Abdullah Patel 2nd year alim class student)

LET'S STAY SAFE ONLINE

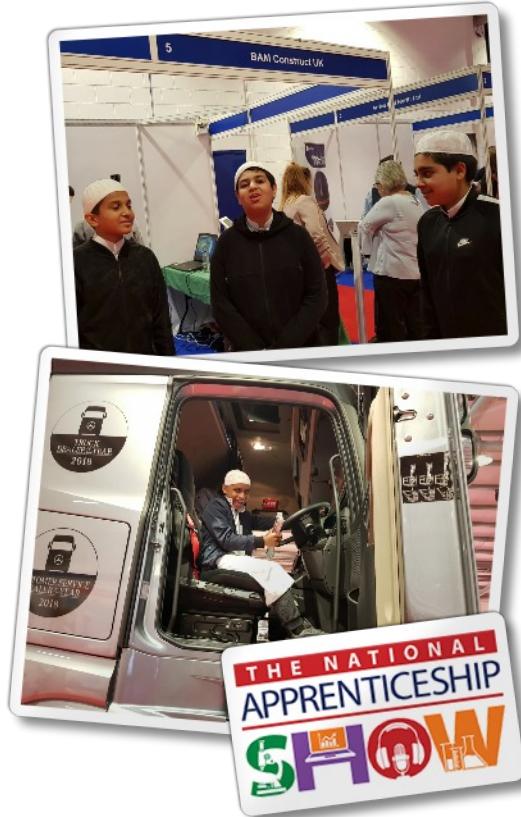

Students have been working hard on their I.T skills to create some impressive presentations on internet safety for the West Yorkshire Police School Cyber Competition. Students highlighted the importance of staying safe whilst using social media as well as the harms of Cyber bullying.

Check out the students work at our school website:

<https://www.cambridgestreetschool.com/internet-safety>

APPRENTICESHIPS EVENT

With over 250 sectors now offering Apprenticeships for young people, Css recognises the huge importance of students to explore different opportunities for post GCSE career development. Students had a meaningful and productive trip to the national Apprenticeships show in Harrogate where they had the chance to question and discover over 50 stands of different exhibitions. Students will be further developing their knowledge to build their career portfolios and explore their first steps into the work field.

"This trip was an eye opening trip where I realised alhamdullah there's so many opportunities I can go into after I finished my GCSE's"

PROGRESS AWARD

Special recognition to **Haroon Bajwa** and **Muhammed Sarmad Hussain** who have done exceptionally well in their assessments this term and have made outstanding progress. Well done!

COACHING GOLCAR JUNIORS

In conjunction with Community Cohesion @ Kirklees council, students delivered a dynamic presentation to staff and students at Golcar Junior School about their life at CSS and the many exciting activities they enjoy here. Our KS3 also had an opportunity to conduct exciting and dynamic coaching sessions to the young students of Year 5. This was an amazing opportunity that built the students' confidence and courage. Students are now building on this skill to provide further coaching sessions to other students in other local schools.

The highlight of the day indoor cricket and the game of grappling. The students from Cambridge Street school Batley and Golcar Juniors. @KirkleesCI The children thoroughly enjoyed the day of activities and making new connections.

TAKING CARE OF OUR ELDERLY

Students organised a special visit to the Batley Hall Nursing and Residential home to raise understanding of the elderly community in Batley. The visit was organised to include special performances and presentations by all the students to the residents and staff at the Nursing Home and then offer refreshments and spend quality time with them.

During the visit, the students shared key Islamic beliefs and messages about the status of elders, coupled with fantastic recitation by students from the Qur'aan and Hadith about the elderly. The performance was superbly finished with Muaaz Raje's emotional recitation of the Urdu nasheed 'Qadam hai Bilal' which moved the staff and residents to tears.

Students then with great care, offered residents and staff a range of refreshments and then spent quality time talking to them to the delight of the residents. As some residents were bed-ridden, the students even took refreshments to the residents' rooms and served them there.

YOUNG SCIENTISTS

Students had the fantastic opportunity to partake in a series of exciting experiments to see how science is applied in industry and agriculture at the Syngenta in Huddersfield. Students mixed various dyes as well as a guided tour of the production plant. The students also participated in a distillation experiment with blending Dyes.

Well done to Abdurraheem who won star scientist with his experiment and won £20 gift card at TX Max.

Finally, as a thank you from Cambridge Street School to the staff and the residents; Ibrahim, Subhan and Abdul Mumin presented flowers and a special cake to the staff for all the work they do to look after the elderly and for the residents, to acknowledge all they have done in their lives to make our community great.

The staff were blown away by the organisation of the event, generosity of the school and especially the confidence and caring nature of the boys who were impeccable in both their performances and hospitality and have even been invited to come back and play games with the residents.

Students took invaluable lessons from this visit and many commented on how this visit has made them think about visiting their grandparents more often, valuing their families and their youth.

"It was a real eye opener, I have never been to a nursing home before and I learnt so much just from the experience. I am really going to make sure I take care of my family and value my elders and also value my youth."

REWARD TRIP FOR OUR SUPER-MERIT STUDENTS

Well done to 9 our star students this term who were rewarded to a complimentary trip to a fun afternoon at The Leisure Exchange in recognition for their exceptional efforts, many merits and exceptionally good behaviour.

WE ARE A 'GOOD' SCHOOL

We are pleased to announce that our recent Ofsted inspection recognised the amazing work that goes on in our school. Ofsted found the school to be a GOOD school and praised many aspects of the school. We would like to thank the pupils, teachers and parents for all their hard work and support and we continue to pray to Allah SWT that he builds the school from strength to strength. Amen.

ABOUT CAMBRIDGE STREET SCHOOL

Cambridge Street School is an independent Muslim boys high school in Batley. We have just purchased a stunning building set in the heart of Batley Town centre. A former Kirklees college, it has superb teaching facilities that consist of modern state of the art classrooms including a science lab, I.T suite and lecture hall. Applications are currently been taken for September 2019. Limited places available. Please Contact the school office for an application form.
